

TRUE2go Limited Lifetime Warranty

Home Diagnostics, Inc. provides the following Warranty to the original purchaser of the TRUE2go Blood Glucose Meter:

- 1) Home Diagnostics Inc. warrants this Meter to be free of defects in materials and workmanship at the time of purchase. If the meter is ever inoperative, Home Diagnostics, Inc will replace the Meter with an equivalent Meter, at its option, at no cost to the purchaser. Failure of the meter due to abuse or use not in accordance with the instructions for use is not covered by this Warranty.
- 2) This Warranty does not include the battery supplied with the Meter.
- 3) Do not take the Meter apart. This action will void the Warranty and cause the Meter to display false results.
- 4) The duration of any implied Warranty, including any implied Warranty of merchantability or fitness for a particular purpose shall be limited to the lifetime in use with the original user in accordance with any state law to the contrary.
- 5) Home Diagnostics, Inc. disclaims liability for incidental or consequential damages for breach of any expressed or implied Warranty, including any implied Warranty of merchantability or fitness for a particular use with respect to the Meter. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply.
- 6) This Warranty gives the user specific legal rights, and the user may also have other rights which vary state to state.

Your Home Diagnostics, Inc. Technical Service Representative will be able to provide detailed information regarding procedures for returning your Meter, if necessary.
