High Performance Blood Glucose Monitoring

Count on the TRUE™ brand for accurate, affordable blood glucose monitoring. For a step-by-step instructional video on how to use your TRUE™ brand blood glucose monitoring system, please visit our website at www.homediagnostics.com.

If you have questions about using any TRUE™ brand products, you may contact us at 1-800-803-6025 or visit our web site at www.homediagnostics.com or e-mail: techservices@hdidiabetes.com for answers to frequently asked questions.

Need Some Help with Diabetes Management?

Education is the most basic tool for helping you take care of your diabetes. There are multiple resources available that can help you make the right choices about managing your diabetes.

Please visit the Home Diagnostics website at www.homediagnostics.com, for useful information about your TRUE™ brand blood glucose monitoring system and diabetes education materials.

You may also contact 1-800-Team-Up4, a service of the American Association of Diabetes Educators (AADE), to locate a Certified Diabetes Educator in your area that can help you with your daily diabetes self-management plan.

The more you know about diabetes, the more you are able to make the right choices about managing it and living a healthy, active lifestyle.
